Preparing for October 1

- Individuals who apply for registration on or before September 30 will take their exam under the current program, even if their exam appointment date is on or after October 1.

- Individuals who apply for registration on or after October 1 will take the SIE and the revised qualification exam (i.e., SIE + Series 7).

- Individuals who take and fail an exam in September will take, as their next attempt, the SIE and the revised qualification exam on or after October 1.

**Change in CRD Display of Exam Results**

- **Starting on October 1, 2018, CRD will show the following:**
  - For passing test results – will indicate that the individual passed the exam
  - For failing test results – will indicate that the individual failed the exam and will display the test score.
  - Once an individual passes the exam, the failing results will no longer be displayed. Only the passing result will be displayed.
Change in CRD Display of Exam Results (cont.)

- Why is this change being made?
  - CRD maintains registration information.
  - FINRA qualification exams determine whether a person has demonstrated minimum proficiency to act in a registered capacity.
  - Exam score is not intended to predict how well a person will perform in a position (i.e., a person who scores 90 will not necessarily perform better than a person with a score of 75).
  - Test scores will not be stored in CRD.
