“Finra can require that all trading platforms require investors who do not use a professional advisor to go through an educational program and pass a test before they are allowed to trade.”

The trading platform should be paying for the educational piece and should be required update it.

Doctors exist to help and protect patients. Otherwise patients would go to the drug companies directly after watching a commercial or using webMD.

Advisors are there to advise and are held accountable for the advice.

Finwell, Inc. is an Investment Adviser registered with the State of California. Any information provided has been obtained from sources considered reliable, but we do not guarantee the accuracy or the completeness of any description of securities, markets or developments mentioned. As a precautionary measure, we cannot rely on e-mail requests to authorize, direct or effect the purchase or sale of any security, wire transfer, or to affect any other transactions. Such requests, orders, or other instructions sent by email should be confirmed verbally prior to their anticipated execution. We are unable to ensure email sent to you from us, or sent from you to us will be received. Please contact us at (888) 310- 3462 if there is any change in your financial situation, needs, goals or objectives, or if you wish to initiate any restrictions on the management of the account or modify existing restrictions. Additionally, we recommend you compare any account reports from Finwell, Inc. with the account statements from your Custodian. Please notify us if you do not receive statements from your Custodian on at least a quarterly basis. Our current disclosure brochure, Form ADV Part 2, is available for your review upon request. This disclosure brochure, or a summary of material changes made, is also provided to our clients on an annual basis.
