Dear FINRA

I thank you for this opportunity. CME is a great example on how to educate new investors like myself (CME Certificate.pdf). However, education alone will be too little. No matter how educated I'm, the temptation to get 25 000\$ will happen (Portfolio Robinhood.pdf). The Pattern Day Trade rule is the essence of failure for the retail market participation (Portfolio Robinhood Now.pdf). I welcome the initiative although we the inevitable is waiting. Or, maybe one day I will break the matrix to get to 25 000\$.

Sincerely David John Saintilaire
