Other Features of the Restructuring

- On October 1, 2018, FINRA will no longer offer the following exams:
  - Series 11
  - Series 17/37/38
  - Series 42
  - Series 62
  - Series 72

- Persons holding registrations associated with these exams will be able to continue to hold them until they leave the industry for more than 2 years.
Effect on Current Registrants

- Most current registrants will be considered to have passed the Essentials Exam, and it will be valid for 4 years upon leaving the industry. CRD will reflect this.

- Registrants who return between 2 and 4 years later will not need to take the Essentials Exam, only the top-off exam for the registration position.

- Registrants who return more than 4 years later will need to take both the Essentials and the top-off exam.
Preparing for October 1

- Individuals who apply for registration on or before September 30 will take their exam under the current program, even if their exam appointment date is on or after October 1.

- Individuals who apply for registration on or after October 1 will take the SIE and the revised qualification exam (i.e., SIE + Series 7).

- Individuals who take and fail an exam in September will take, as their next attempt, the SIE and the revised qualification exam on or after October 1.
Essentials Exam Enrollment for Individuals

- Will access enrollment system from finra.org
- Will need to create an account to enroll and pay
- Will access direct link to Prometric appointment scheduling
- Will receive score report at test center
- Can also view result in enrollment system
- Can pay for exam with credit card or by redeeming voucher
Securities Industry Essentials Exam Mockup

Available Beginning October 1, 2018

The Securities Industry Essentials (SIE or Essentials) Exam, available beginning October 1, 2018, is a new FINRA exam for prospective securities industry professionals. This introductory-level exam assesses a candidate's knowledge of basic securities industry information including concepts fundamental to working in the industry, such as types of products and their risks; the structure of the securities industry markets, regulatory agencies and their functions; and prohibited practices.

Key Features of the Essentials Exam
Essentials Exam Enrollment Options for Firms

- Through CRD, there will be two options for a firm to request an enrollment for the Essentials Exam:
  - **Form U4:** request a rep-level registration (e.g., GS request opens SIE and S7 exam enrollments)
  - **Non-Form U4:** enrollment system
    - **Group** – upload a list of candidates
    - **Purchase vouchers** – used by candidates to enroll for the SIE
Non-U4 SIE Enrollment

- Web CRD will include an option for firms to enroll non-registered individuals for the SIE, and pay the exam fees from the firm’s Flex-Funding Account.
Non-U4 SIE Enrollment (cont.)

Note: The manually add feature to request a single enrollment will be available after the October 1st launch.
Non-U4 SIE Enrollment (cont)

- Firms can use the downloadable templates to create the CSV file and then select for upload.

![Image of the upload process with highlighted options for downloading templates and selecting a file to upload.](image-url)
Non-U4 SIE Enrollment (cont.)

- SIE enrollments uploaded and paid for by the firm will be added to the Individuals Enrolled for SIE list.
  - Once an individual sits for the exam, the same list will be updated with the exam result and score (if applicable).

Non-U4 SIE Enrollment - Vouchers

- Firms will also have the option to purchase SIE vouchers (up to 100 at a time) to provide to individuals who can enroll themselves for the SIE.

![Voucher Purchase Interface](image)
Non-U4 SIE Enrollment (cont.)

After vouchers are purchased, firms can download a spreadsheet to obtain the list of voucher codes and track their redemption.

- Expired and Redeemed Vouchers
  - 0 Voucher Group(s)
Non-U4 SIE Enrollment (cont.)

- Non-U4 SIE Enrollment Reminders
  - Enrolling an individual for the SIE outside of Form U4 does not by itself create a CRD number for them. A CRD number will be assigned when a filing is made for the individual in CRD.
  - Non-U4 SIE exam results can be seen in the “SIE Enrollment/Results” link, and can also be viewed via the existing Pre-Registration Search feature. However, they will not immediately be part of the individual’s CRD record.
  - When an SIE-only individual becomes registered, their SIE “Pass” result will then be posted to their CRD record.
Viewing SIE Results

- Firms that pay the Essentials Exam fee will be able to view the individual’s result.
- If an individual pays the Essentials Exam fee, the firm will ONLY be able to view the result when:
  - Conducting a pre-registration search or
  - Filing a Form U4 requesting a registration.
The existing Pre-Registration Search will be enhanced to display individuals that have passed the SIE outside of Form U4.
Change in CRD Display of Exam Results

- **Starting on October 1, 2018, CRD will show the following:**
  - For passing test results – will indicate that the individual passed the exam
  - For failing test results – will indicate that the individual failed the exam and will display the test score.
  - Once an individual passes the exam, the failing results will no longer be displayed. Only the passing result will be displayed.
Change in CRD Display of Exam Results (cont.)

- Why is this change being made?
  - CRD maintains registration information.
  - FINRA qualification exams determine whether a person has demonstrated minimum proficiency to act in a registered capacity.
  - Exam score is not intended to predict how well a person will perform in a position (i.e., a person who scores 90 will not necessarily perform better than a person with a score of 75).
  - Test scores will not be stored in CRD.
